

Play2Earn Games

1. Parallel life

NFT sci-fi game. The game is only at the beginning and it's a very good time to get involved. You can already earn about \$25 for one hour of play. So far it is running on beta but this year the official version will be released. PRIME token issues should increase, which means that the earnings will be huge.

2. REALM

Realm is the best and most comprehensive treatment of the intersection of RPGs, Civilization, and SimCity that has yet been created within the GameFi realm. And the game is just getting started! You will need a web3 wallet, funds on arbitrum network and a game character.

3. Influence

It is a sci-fi MMO game in which players populate an asteroid belt, mine resources, trade them on the open market for an in-game token, which will be redeemable for any other cryptocurrency by default. You will need a starknet wallet such as Braavos. Influence gameplay showcase - https://www.youtube.com/watch?v=kB51y_qbXyo
