TOP 5 AIRDROPS

1. SpaceCatch

The first round of airdrop has already taken place, earning thousands and tens of thousands of euros. However, another round is expected soon. Just open the link and start completing quests. SpaceCatch is an innovative AR game combining Play-to-Earn and Move-to-Earn models, where players battle aliens and earn rewards for physical activity and task completion (SpaceCatch) (SpaceCatch) (BeInCrypto).

2. Phantom wallet

An excellent wallet for the Solana network. Although the airdrop hasn't been confirmed yet, there is speculation about it. It's essential to be active in the wallet. Phantom Wallet is known for its user-friendliness and strong security, making it an ideal choice for Solana users.

<u>3. GetGrass</u>

The first round of airdrop has already taken place, earning thousands and tens of thousands of euros. However, another round is expected soon. Just open the link and start completing quests. SpaceCatch is an innovative AR game combining Play-to-Earn and Move-to-Earn models, where players battle aliens and earn rewards for physical activity and task completion (SpaceCatch) (SpaceCatch) (BeInCrypto).

TOP 5 AIRDROPS

4. Rabby wallet

A wallet where you can manage all your other wallets in one place. You can earn points for your activity here. Rabby Wallet is appreciated for its ability to manage multiple wallets from a single interface, simplifying the management of digital assets and enhancing user convenience.

5. Linea

One of the most anticipated airdrops. Completing tasks is necessary. Linea offers attractive rewards for users who actively engage in completing tasks, fostering community engagement and project growth.
